Please note:

- (1) If no colour has been selected, the blind will be fitted with ladder and cloth tape in grey.
- (2) If no colour has been selected, the blind will be fitted with plastic components in grey.
- (3) If no degree of slat rotation has been indicated (concerns C80 slats) the blind provided will be fitted with 90° rotating slats.
- (4) If no varnishing option has been selected, option 1 will apply.
- 1. The standard packet of slats is mounted on automatic brackets fixing head rail.
- 2. The standard packet of slats is fitted with aluminium guide pins.
- 3. IMPORTANT: Manufacturer reserves the right to apply cassettes of the smallest size.
