## Please note:

- <sup>(1)</sup> The GLIDE option is available with EV2 MAGNETIC system only. No need to fill in 7, 8, 9 columns if the GLIDE option has been selected.
- <sup>(2)</sup> Type A bracket adjusted to the system of the pleat. Type B bracket adjusted to the system of the pleat.
  Type B coupled with respective bracket A.
  If column 8 is not selected, no adaptors will be provided.
  The standard rail is fitted with one operating handle.
  If column 11 is not selected, no operating wand will be provided.

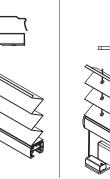

- 1. The standard width of fabric equals total width (rail + end caps).
- 2. "Pearl" and "blackout" finish on the outer (left) side of fabric.

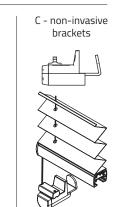

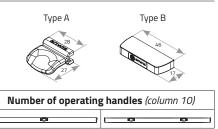

B - on a recess

A - in a recess
