Total width (mm) ⁽³⁾	Height (mm)	QTY	Fabric code	Control side		Type of control						Colour of accessories								CHILD SAFETY	
						manual		motorised ⁽⁴⁾				white	cream	brown	silver anode	grey	anthracite	black	Room children have access to (compliance with the standard) ^(5,6)		
						ball chain													YES	NO	
				L	R	plastic	metal	EB5	MOTION CM03	MOTION CM03 EVE	B11										RAL 9003
1	2	3	4	5		6						7								8	

Please note:

1 Slight variations in the shades and patterns of fabrics as well as accessories may occasionally occur.

2 The standard roller blind comes with a closed cassette and side guides fitted with brush seal.

3 Min. width of the blind: 300 mm.

4 Components for motor control – see the price list.

5 If no option in column 8 is selected, the manufacturer assumes that the blind will be mounted in a room/area young children have access to (length of operating chains/cords compliant with PN-EN 13120:2014+A1 standard).

6 Custom control length (enter value in column 8) ranges from 100 mm to 3,400 mm (in 100 mm increments).
If the control length is not specified, the product will be manufactured according to the manufacturer’s standardisation.
