Please note:

- 1 The standard packet of slats is mounted on automatic brackets fixing head rail.
- The standard packet of slats is fitted with aluminium guide pins.
- Bottom end cap for side guide in black only.
- IMPORTANT: Manufacturer reserves the right to apply cassettes of the smallest size.
- 5 If no colour has been selected, the blind will be fitted with ladder and cloth tape in grey.
- If no colour has been selected, the blind will be fitted with **plastic components in grey.**
- If no degree of slat rotation has been indicated (concerns C80 slats) the blind provided will be fitted with 90° rotating slats.
- 8 If no varnishing option has been selected, option 1 will apply.
